FPO BIN STORAGE - KNOCKDOWN

The FPO bin Storage used to transform a traditional industrial tool trolley into a mobile vertical shelving, a warehouse on wheels so you can have all work equipment and materials readily on hand.

The bin cart warehouse picking trolley by IDI is the ideal solution for logistics and for storing medium- and small-size material such as smallwares, spare parts, electrical equipment, etc.

Features:

- Light weight and modular design in knockdown condition provides flexibility in relocation with ease.
- The ideal solution for small parts storage.
- Wide range of bin holder solutions.
- Integration with ergo work swivel arms.
- Transportation of various tools and bins.
- A pushing handle facilities easy handling.
- Ergonomically lower level of shelf is 17.7 inch.
- The shelves are adjustable in increments of $1\frac{1}{2}$ " pitch.
- Glossy finish with scratch and impact-resistant powder coating.
