MOBILE STORAGE RACK - DRIVE TYPE

File storage optimizers are designed to make the most efficient use of available space. They typically include features like adjustable shelving, dividers, and compact design to store a large volume of files or documents in a relatively small footprint.

Features:

- Very cost effective solution.
- Configured to suit any type of storage.
- The shelves are adjustable.
- Modular design in knockdown condition provides.
- Flexibility in relocation with ease with lock & key.
- Glossy finish with scratch and impact-resistant powder coating.
