PLATFORM TROLLEY - KNOCKDOWN

Material handling trolleys efficiently transport goods in various settings. With diverse configurations and sizes, they're used across industries like manufacturing, retail, and healthcare to streamline item movement, reducing manual labour. These trolleys, equipped with wheels, handles, and sometimes shelves, enhance productivity by simplifying goods transportation.

Features:

- Light weight and modular design in knockdown condition provides flexibility in relocation with ease.
- Diverse choices based on the applications.
- Wide range of uses and objectives.
- Durable and rugged performance.
- Safe and secure grip of the tools.
- Optimum traction and manoeuvrability.
- Glossy finish with scratch and impact-resistant powder coating.
