INDUSTRIAL COMPUTER CABINET

Our industrial computer cabinets offer robust PC protection in tough environments. With 2 shelves, including a pull-out option, they accommodate hardware and prevent dust damage. The sturdy polycarbonate door ensures monitor safety, while the lock provides security. Perfect for automotive, packing, and chemical industries, as well as offices and warehouses.

Features:

- Robust protection against harsh conditions.
- Effective dust and debris resistance.
- Ventilation fans maintain low temperatures.
- Accommodates 21" monitor size.
- Lockable drawer and cabinet for safety.
- Ample space to install printers and other accessories.
- 1 Spike guard 6 way type.
- Shelves for organized storage and setup.
- Glossy finish with scratch and impact-resistant powder coating.
